

Final conference on 16.10.2019

Who is VIC?

VIC stands for Validating Integration Competences of refugees and is a two-year European project funded by the Programme Erasmus+. The aim is to develop an approach to measure the effectiveness of the educational offers that have been put in place to ease immigrants' pathways to integration into society, on the one hand, and to assess their impact on the individual integration competences of the immigrants, on the other hand.

Venue

Aristotle University Research Dissemination Centre (KEDEA), 3is Septemvriou, Thessaloniki 546 36, Greece
